

## DOMETIC (SEITZ) WINDOW STAYS

Over the years, Dometic (seitz) have fitted different types of window stays :-

“VAM “ style = Dark brown handles  
click-clack style

“BG1077” style = light grey handles  
click- clack style

“FRICTION” style = dark handles  
Smooth gas strut style

**When enquiring please quote which of above style of stay you require and also the full code from the top RH corner of the glazing panel (as viewed from outside the vehicle).**
